HERE AND NOW

By Dave Morrow

C2 *Am*
In a moment, in the twinkling of an eye,
Dm *Gsus* *G*
I know that we will someday all be changed.
C2 *Am*
And when we see You, we will know as we are known,
Dm *Gsus* *G*
And every thought and deed will be upright and true
Em *Am*
But living in the here and now I fall so short of you
Em *Am* *Dm* *G*
I can only hope You'll hear me when I say.

C2 *Am*
I've come to worship, I've come to bow before my King
Dm *Gsus* *G*
with the only thing I have to offer You
C2 *Am*
I've come to worship, I've come to give to You my life
Dm *Gsus* *G*
change me Lord, make me more and more like You.
C2
Here and now.

NO ONE ELSE BUT YOU

By Dave Morrow

D2/F#

No one else but You,

Always waiting as if I'd never been that far,

COULD IT BE

By Dave Morrow {Capo on 6th}

G C
If I could make my way up to heaven, on my own
G C

G C
Would I find You were up there waiting, for me
G C D C
Or would I even find You at all, Could it be
G C
Well I could throw a rock at Your window, I suppose
G C
Or even try to break down Your door
G C
But would that ever make You love me, like a son
G C D C
Would You even know my name, Could it be, could it be
G D Am C
Could it be the reason why, I'd never find You on my own
G D Am C
Is Your love is never owed, just given free
G D Am C
Could it be the only way You could show such love to me
G D Am C
Was to come and hang it high up on a tree
D C
Could it be, oh could it be
G C
But if I came to You as an orphan, on my knees
G C
With empty hands, and broken heart
G C
Would You take me in Your arms, like a son
G C D C
Would You gently speak my name, Could it be, could it be

Em C G D
But there's still just one way to get in
